Welcome to an adventure of a lifetime in Ladakh!

Embark on a journey that will ignite your child's curiosity and sense of exploration in the heart of the majestic Himalayas. Our specially curated trip to Ladakh is designed to immerse young adventurers in the rich culture, breathtaking landscapes, and thrilling activities of this remote region.

Ladakh is the land of breath taking beauty, clear blue skies, rugged mountains, serene monasteries and a great setting for a journey of self discovery. Set in the Indus river valley, Leh is just a flight away from major cities of India. With rather dry weather, Ladakh is ideal for trekking, adventure and outdoor learning experiences in the monsoon months in India. Ladakh remains one of the top spots on our list of great getaways to connect with nature and unwind in solitude!
